We are a young, although the staff has over 35 years of experience devoted solely to land and sea transport.

We have the technical and human resources more qualified to give the guarantee of an efficien t and professional service.
Our staff
will assist you
by phone
or through
our website
or email, giving you the
information needed
for monitoring and
/ or
collection
-delivery
shipments.
We operate from
Alicante
and Valencia
which
brings
the goods
to be sent
to the Canary Islands
or anywhere
either
national or international.
We handle
everything
required
for your shipments: customs, insurance, reimbursement,
marketing advice,
etc..
Weekly.

We have quality certificate.
